## EXPERIENCE

### **Phony Phone & Computer Repair / Forge IT, Berry College**

*Rome, Georgia*

*August 2015 – December 2015*

- Started student business on campus, Phony Phone & Computer Repair
- Gained experience with negotiating a merger and partnership when merging with another student-run company on campus, Forge IT
- Designed the logo and business cards for the company
- Repaired cell phones, computers, networks, and other electronic devices
- Made house calls for local residents to repair their network problems and other tech issues

### **IT Internship, Summer Classics**

*Birmingham, Alabama*

*May 2015 - August 2015*

- Worked with Microsoft SQL Server 2012 to clean up databases of old clients and employees
- Lead the creation and implementation of a software training center for any new programs introduced into the company
- Reorganized and rearranged the entire IT inventory to increase efficiency and cleanliness
- Assisted in maintaining, repairing, and installing printers and copiers
- Corresponded with coworkers from different departments to set up eFax software and several other programs on each of their computers

### **Water Plant Student Worker, Berry College**

*Rome, Georgia*

*August 2012 – May 2016*

- Learned the tests needed to maintain correct chemical balance in the water throughout campus
- Repaired several broken pipelines on campus
- Gained experience with power tools such as an angle grinder, drills, and saws
- Performed database entry of our test results onto a government website to make sure we meet standards
- Set up a wireless network for coworkers

## **Lifeguard, Mountain Brook YMCA**

*Birmingham, Alabama*

*May 2009 – August 2012*

- Trained to acquire the American Red Cross certifications in first aid, CPR, and lifeguarding
- Communicated and enforced all community center regulations and pool rules in a personable and professional manner
- Performed close surveillance with a rescue tube from the guard stand
- Worked as a team with other lifeguards during special events
- Participated in and help facilitate staff training

## **Lab Technician/Field Worker/IT Support, Enviro Management Corporation**

*Birmingham, Alabama*

*March 2009 - Present*

- Performed the ascertaining, recording, processing, and analyzing of waste water samples for several different parameters
- Repaired equipment on water pumps in the field
- Communicated closely with clients and personally picked up the necessary samples at client locations
- Fixed IT related complications with industrial machines, work computers, and wireless network
